ABOUT ME

I am a dedicated professional with strong programming skills and a commitment to high-quality work. I support my colleagues and contribute to team success, staying updated with the latest tech advancements. Known for my integrity and work ethic, I approach projects with attention to detail and a drive for excellence. My ability to simplify complex problems and communicate effectively makes me a valuable team member.

EXPERIENCE

Internship at IOFT

I have completed a three month's internship at Institute of Futuristic Technology (IOFT) which is situated in Goregaon. In the three month's internship I learnt and implemented various Android projects using Java language.

LANGUAGES

- C
- C++
